

4TH OF JULY FESTIVITIES

Astoria Downtown Planning a Big 4th

The Astoria Downtown Historic District Association (ADHDA) is seeking sponsorships and participants for Fourth of July Celebrations. "Historically, the Astoria-Warrenton Chamber of Commerce has coordinated the annual fireworks display and this year we are assisting those efforts by bringing even more to Astoria for this holiday," noted ADHDA President Michael Weissenfluh. To learn how you or your company can participate as sponsors call Michael Weissenfluh at 503-338-9977. Sponsorships are being sought for the music, parade, and holiday flags and decorations. To help with planning the Parade call Cyndi Mudge at 503-325-1010. Fourth of July celebration plans include incorporating existing programs with new festivities to create a three-day weekend both locals and visitors will enjoy.

New programs include a community evening River Walk parade starting at the Transit Center at 10th and Marine and culminating at the Columbia River Maritime Museum and nearby train depot where there will be live music, food, vendors and other attractions. The parade pays tribute to the wonderful River Walk and reflects the diversity of users. Parade participants will be judged on most patriotic in several categories including entrants to the tricycle brigade, strollers, bicycles, dogs and their owners, joggers, walkers, and skate boarders.

"We want the community to feel involved in our planning so welcome volunteers and new ideas," noted Jennifer Holen, Committee Chair and co-owner of Baked Alaska. "If your store, club or association is planning special activities downtown for the Fourth of July we welcome hearing about it so we can work together to show off our wonderful community."

NNB Radio Presents in Concert...

Chelsea Williams has been writing and performing her own music since she was 13 years old. Her songs have honest lyrics that just "make sense" and strong hooks that stick in your head but don't hit you over the head. She has been described as soulful and natural, and yet strong and in control. Chelsea's guitar and vocal chops are seemingly always in the pocket and in shape. Hear her music at chelseawilliams.com and see her perform live on the 4th at the Warrenton City Park at 4:30pm. This concert is free, a part of the Warrenton Family Fun Fair.

On with the Show!

The 4th of July Fireworks display over the Columbia River in Astoria has become a great tradition for locals and visitors alike. The Astoria Warrenton Chamber of Commerce needs your help to ensure the fireworks will continue for years to come. We appreciate the support from this community of our many projects. We invite any individuals, organizations or businesses to contribute to the fireworks display, which costs \$10,000. You can donate to the program at one of our firework donation collection bins that are placed around Astoria from now through the 4th. Or simply return the form below with your contribution by mail to PO Box 176 or in person at 111 West Marine Drive, Astoria. Thank you!

You can count on my support for the fireworks!

A message to employers

- About 20 percent of America's workers have low basic skills (reading, writing, speaking, and basic computation skills) and 75 percent of unemployed adults have reading or writing difficulties.
- Illiteracy results in reduced productivity and profitability.
- Workers with better literacy skills are better able to handle particular job-related tasks with improved productivity and safety.

THE OUTREACH LITERACY PROGRAM at CLATSOP COMMUNITY COLLEGE

Who are we?

We are part of the Adult Education and Family Literacy Department (AEFL) at CCC. AEFL runs the GED and ESL (English as a Second Language) classes in Astoria, Seaside, Clatskanie, and sometimes in Cannon Beach.

Where are we?

Clatsop Community College is in Astoria at 1653 Jerome Avenue. The Outreach Literacy office is located in the basement of the Library, rm 101.

The Volunteer Literacy Tutor Program

We recruit and train volunteers to instruct adults who need basic training in English, reading, writing and/or math. We test all students and provide them and their tutors with appropriate study materials.

We are always looking for volunteers. Volunteering as a literacy tutor helps individuals and contributes to the well-being of our community. Do you have employees that could benefit from our programs? Do you or some other member in your business want to work with an employee/s to upgrade their skills? Our program can help you to do this.

If you would like to learn more, become a volunteer, or direct someone to us who might benefit from our services,

CALL 503-338-2557 or email epurcell@clatsopcc.edu

Clatsop Community College is an affirmative action, equal opportunity institution.

Being in the **BLACK**, Profit is the answer

Cash flow! Cash flow! Cash flow!

Over 500 years ago Fra Luca Pacioli, the father of modern Accounting, said that three things are needed for a successful business:

- ◆ Adequate cash
- ◆ An adequate mathematician to work with the numbers
- ◆ A system which can show at a glance the financial position of the business - a double entry accounting system...

And yet, that accounting function is the most neglected of the three basic functions of the **Small Business Model**.

If you don't have a sense of which numbers are important, then you need to hire someone that you can **trust** to look at the numbers and interpret them for you. In 98% of the cases, a seasoned and professional bookkeeper will be more than enough for your small business needs.

Your spouse, your neighbors' cousin's grandmother's nephew in law with the PC or your own QB might cause more damage than good.
