Dear Supporters of the Burnside/Brownsmead/Knappa/Svensen communities:

Knappa Business Association is excited to announce the 3rd Annual "Revival" of Knappa/Svensen days. The two-day event will feature music, games, a parade, barbecue, and raffle drawings. There will be a cake walk, egg toss, tug-of-war, lawnmower races, logging competition/show and our second annual 5K – 10K run/walk, community church service and much more. "This is a great opportunity to celebrate and show our "Community Pride." We have a wonderful community that continues to thrive even amongst adversities. We have so much to be proud of in our area--great schools, great memories, great friends and a great future. We hope that you will join with us again this year in celebrating "Knappa Days".
