What do these businesses have in common?

We all believe in **protecting our customers' personal information** and are sponsoring a community "Shred-it" event.

Saturday, April 16th between 10:00 am and 1:00 pm
Outside the Astoria Branch of Clatsop Community Bank.

- The Federal Trade Commission (FTC) estimates that as many as 9 million Americans become identity theft victims each year.
- Personal credit ratings are the fastest growing form of consumer fraud. Around the world, identity fraud has been a growing concern. Identity theft puts your reputation, credit, finances and your entire business at stake. Why take the chance?
- Research shows that most identity thieves obtain information through traditional paper-based sources rather than electronic channels. And while laws and privacy policies help to keep companies in line and criminals in check, prevention is still the best course of action.

We desire to give other small businesses and individual households an opportunity to confidently destroy unneeded documents.

There is a suggested \$5 donation per "banker box" or large trash bag.

Take this one home for your family

Give this one to your neighbor
